Mr. Hat

*Mr. Hat's dog,
Sausage*

*Mr. Hat meets his
dog, Sausage, for the
first time*

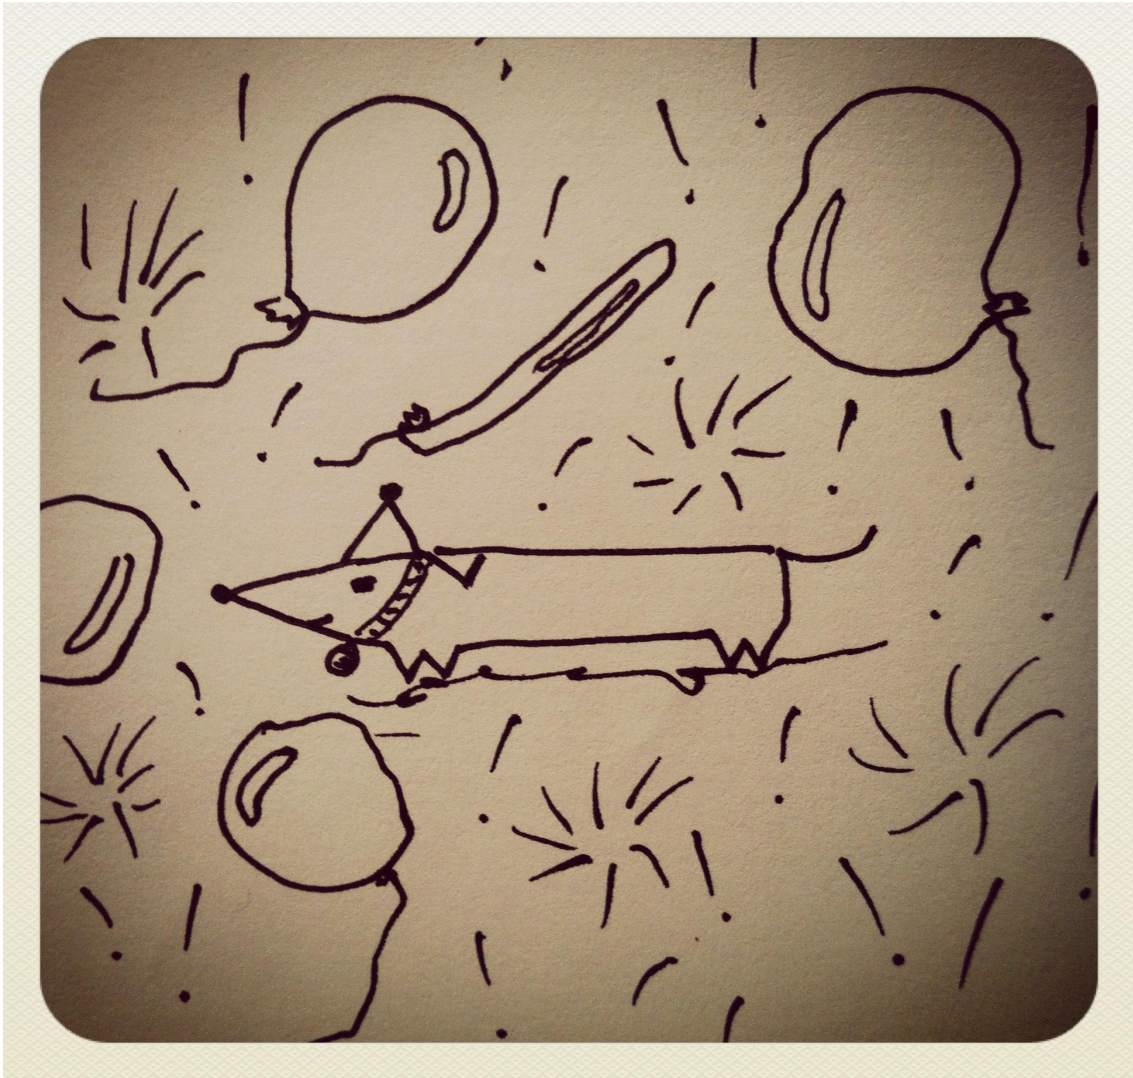

*Mr. Hat feeds his
dog, Sausage,
yummy dog's food*

*Mr. Hat used to walk
alone before he met
Sausage*

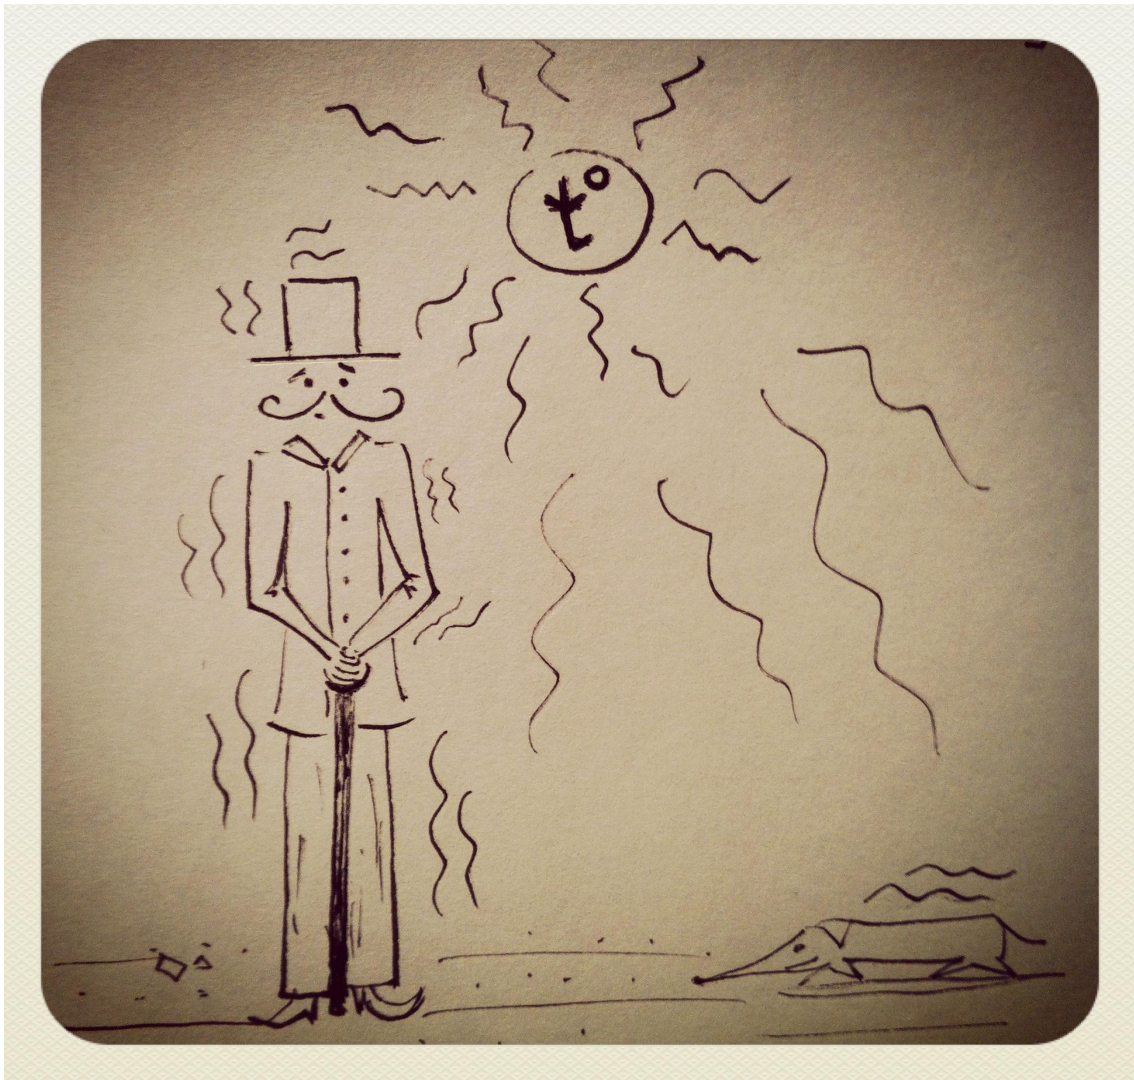

*But Sausage
likes to play*

*Sausage likes to
party all the
time!!!!*

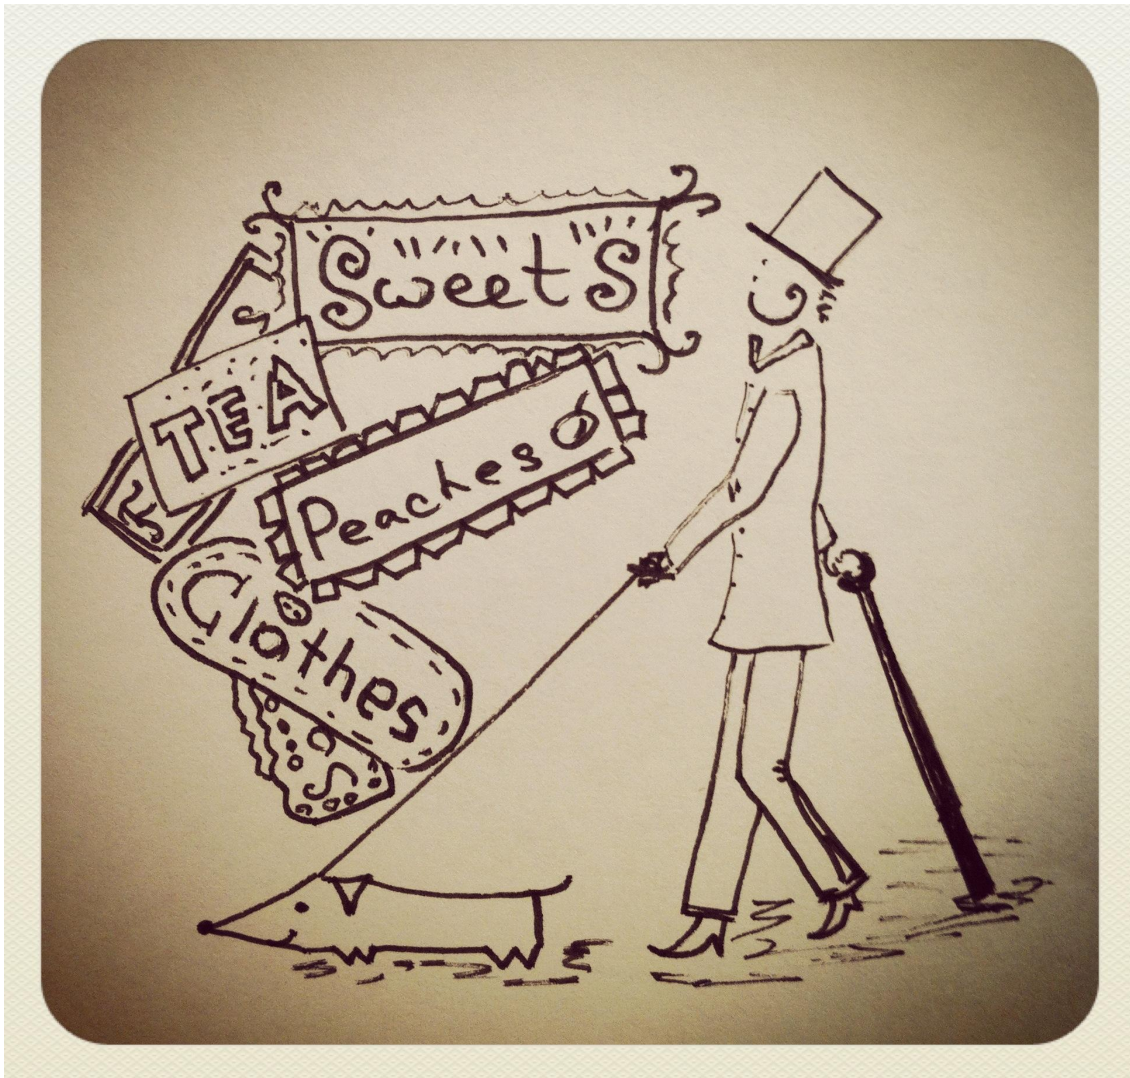

*And now Mr. Hat and his
dog, Sausage, spend all the
time together, enjoying the
company of each other*

*Once, on a very
hot day*

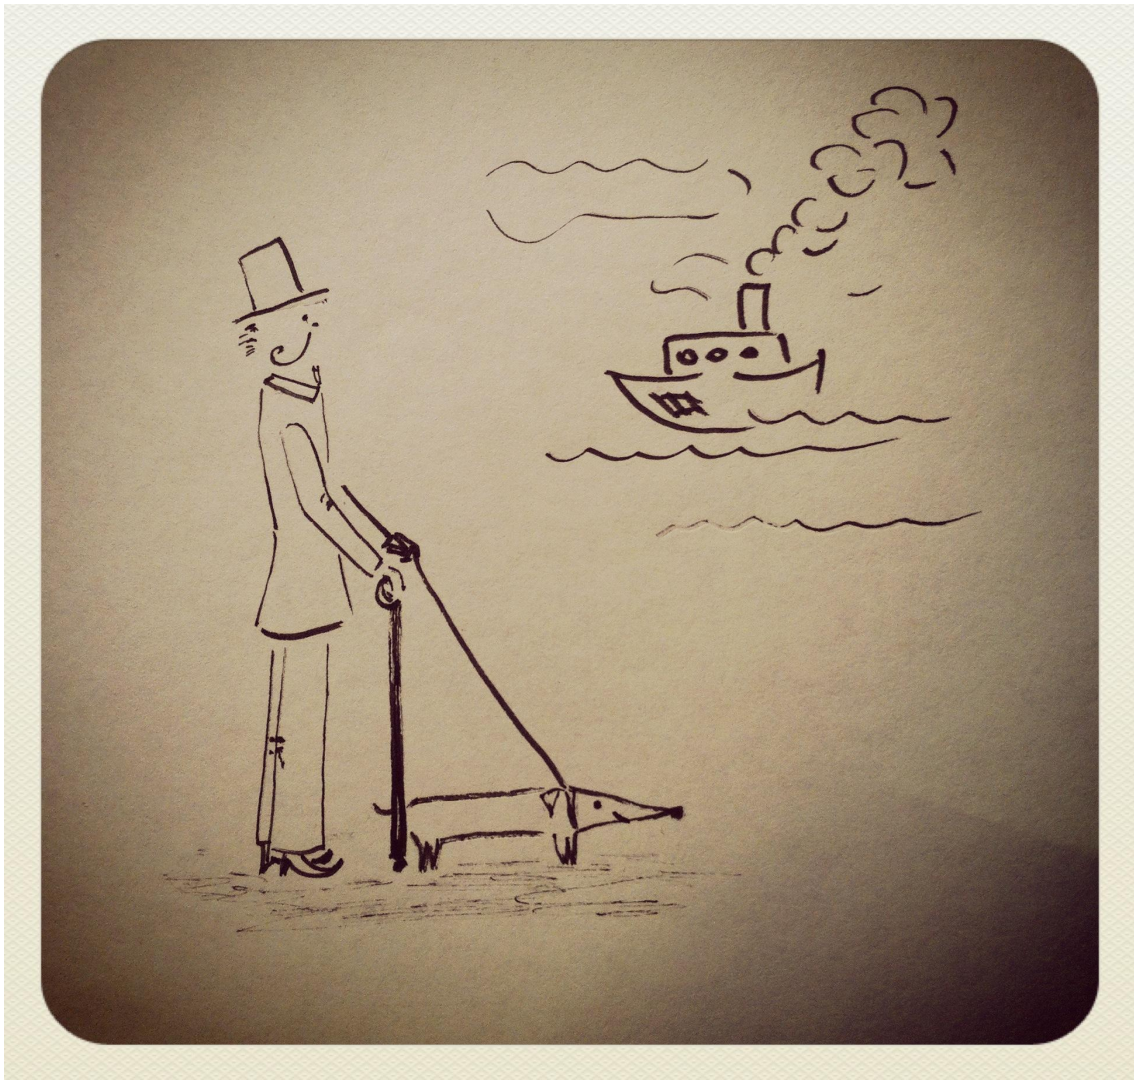

*Mr. Hat was too
tired after months
of work,*

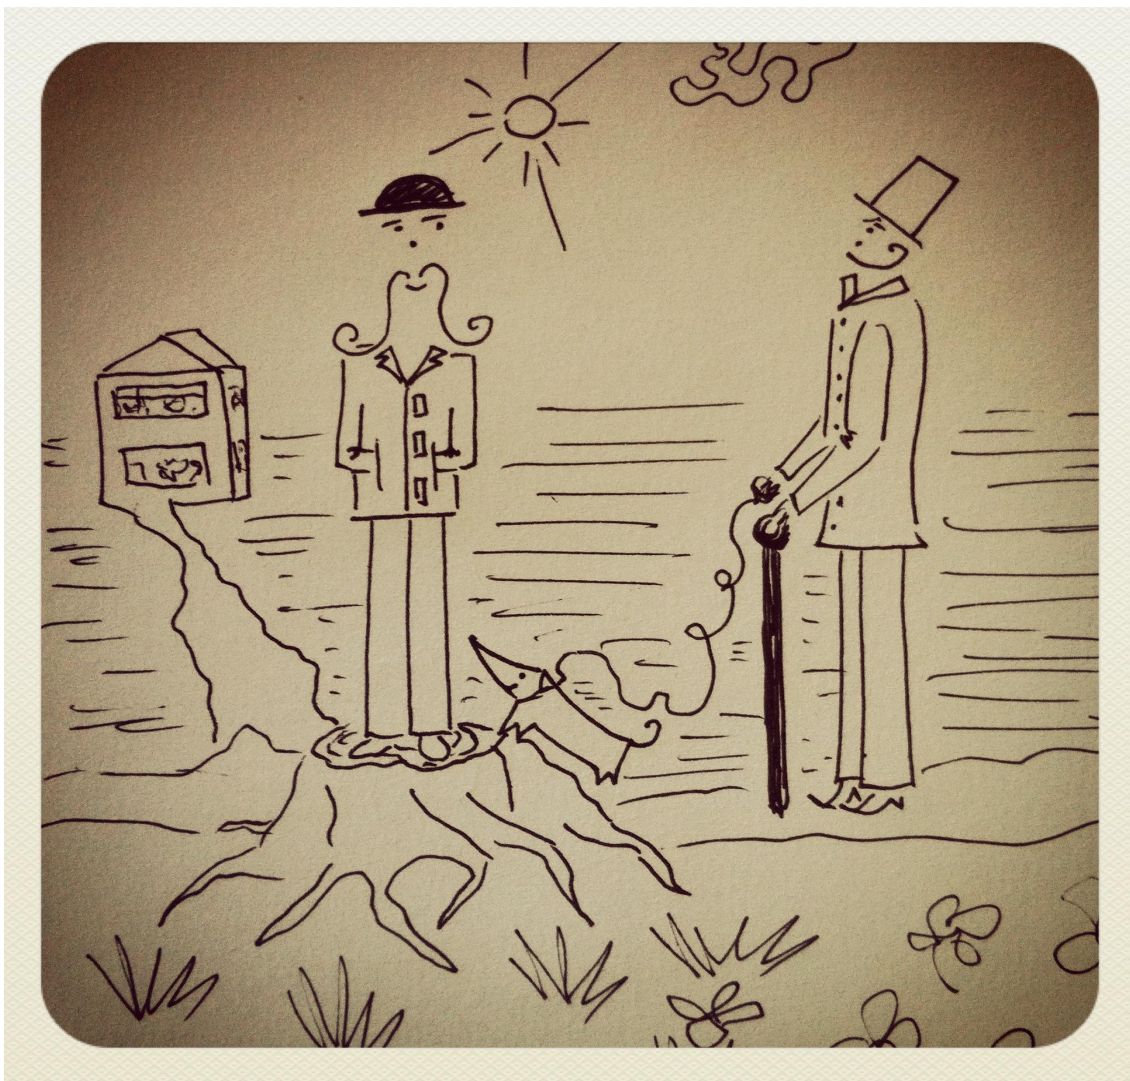

*Mr. Hat and his dog,
Sausage, decided to
go for a walk*

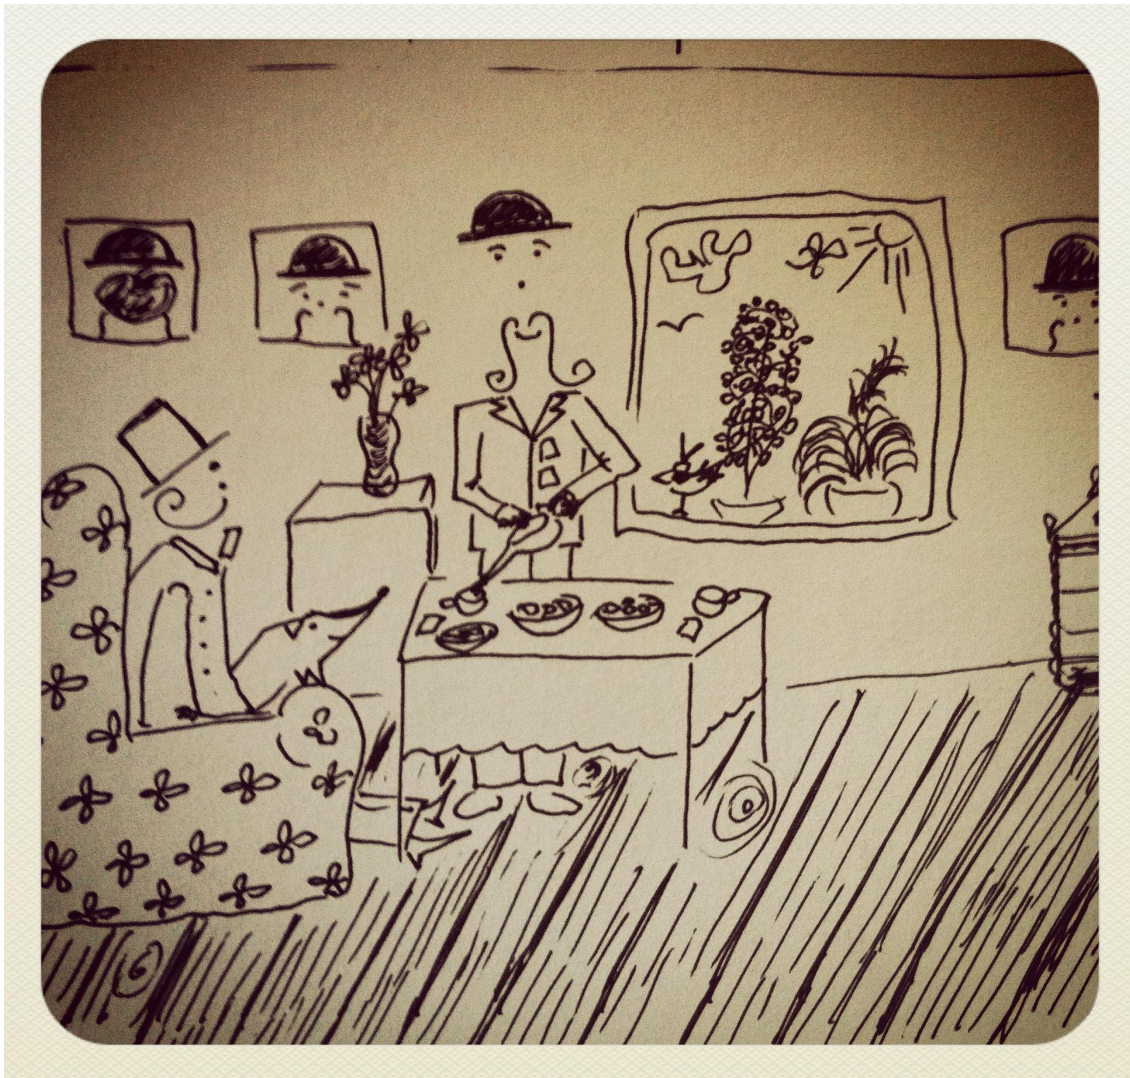

*And to have
some juice*

*They went by the sea, enjoyed
the view of the ships, that are
going somewhere far from their
place*

*They visited Mr.
Jacket, Mr. Hat's
friend*

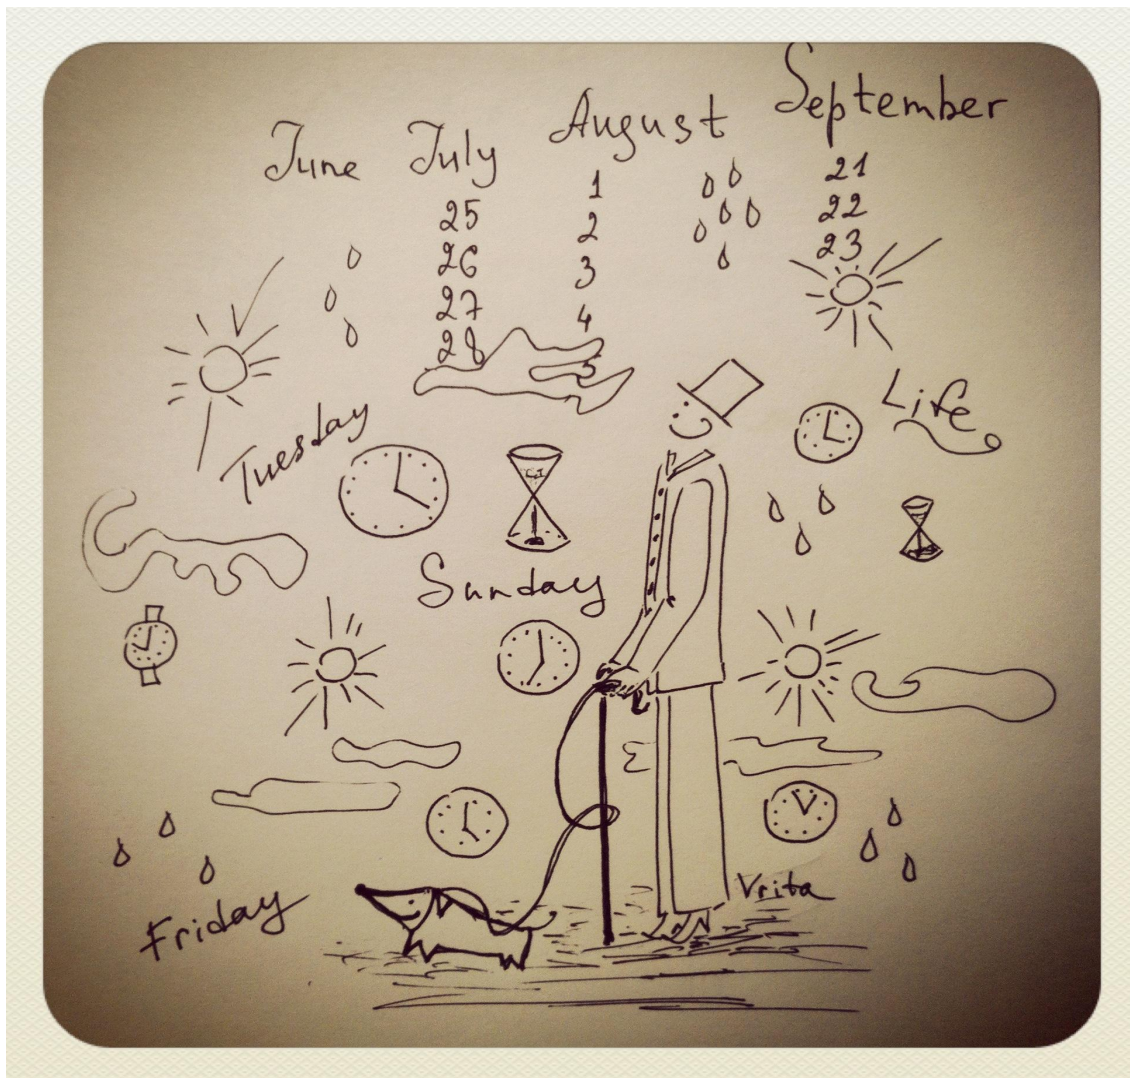

*They had some
tea*

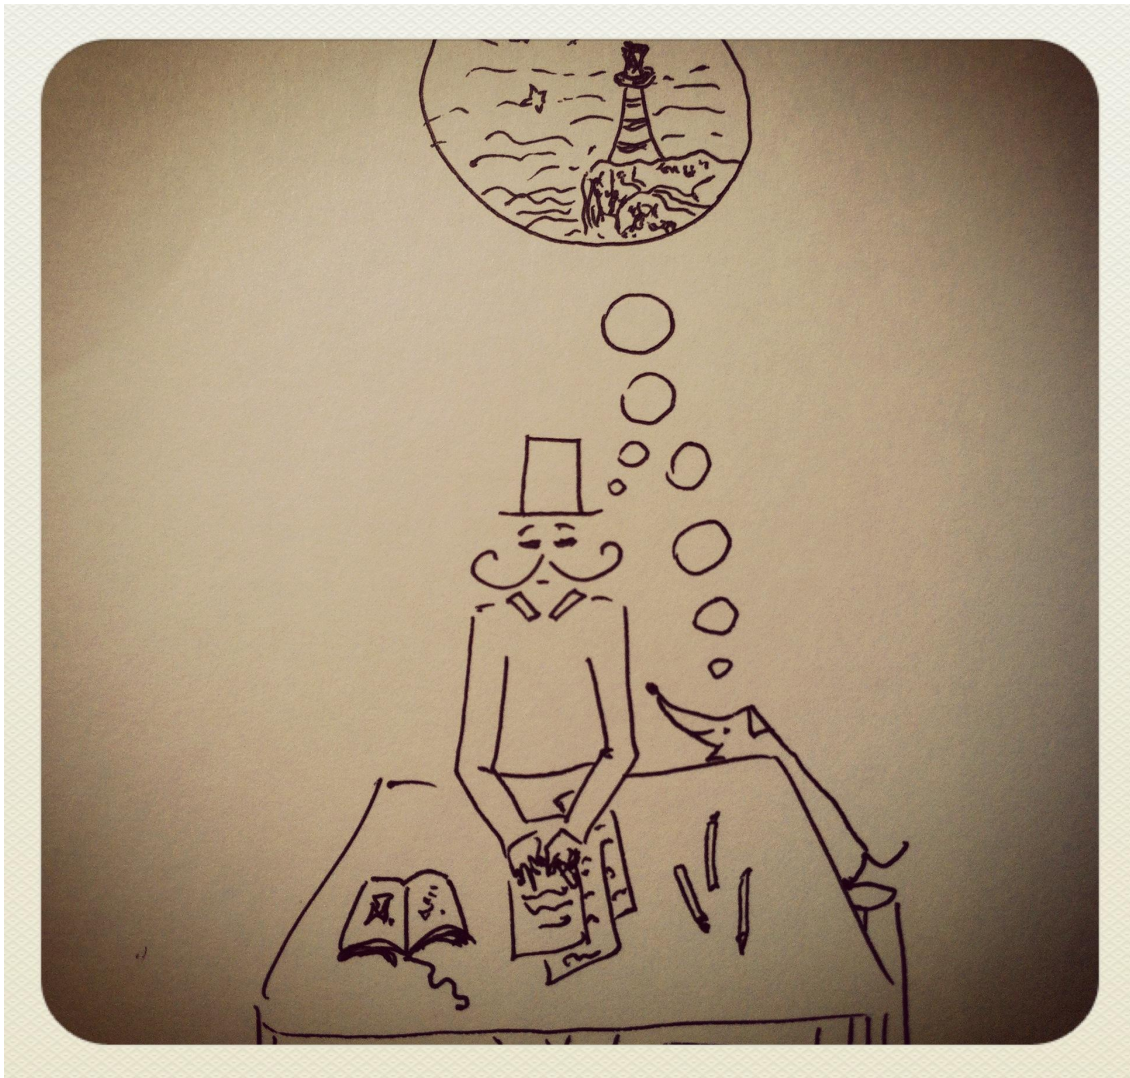

*And Mr. Jacket told
them about his travel
experience*

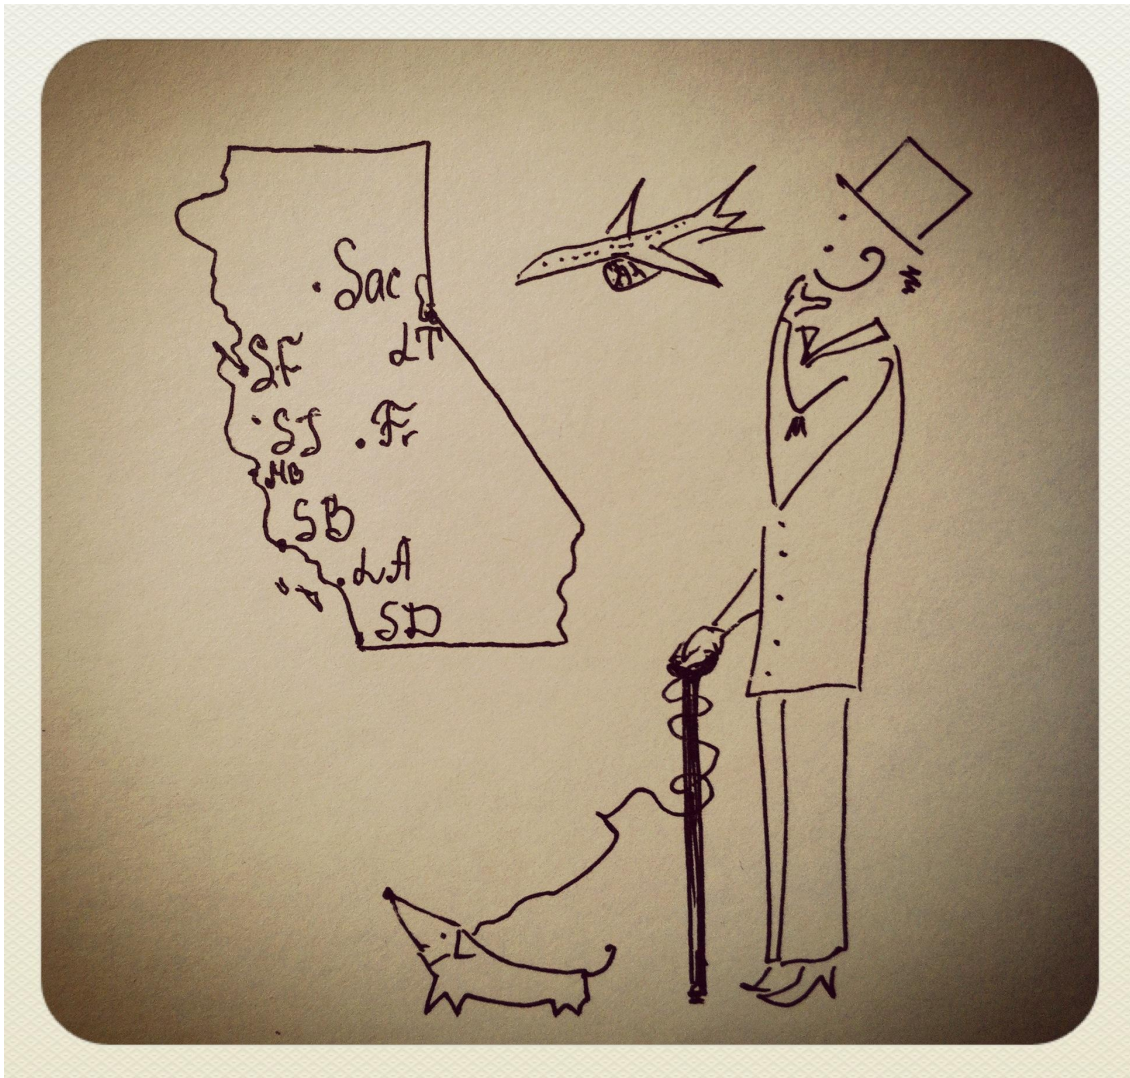

*He always went to
beautiful islands to do
some fishing*

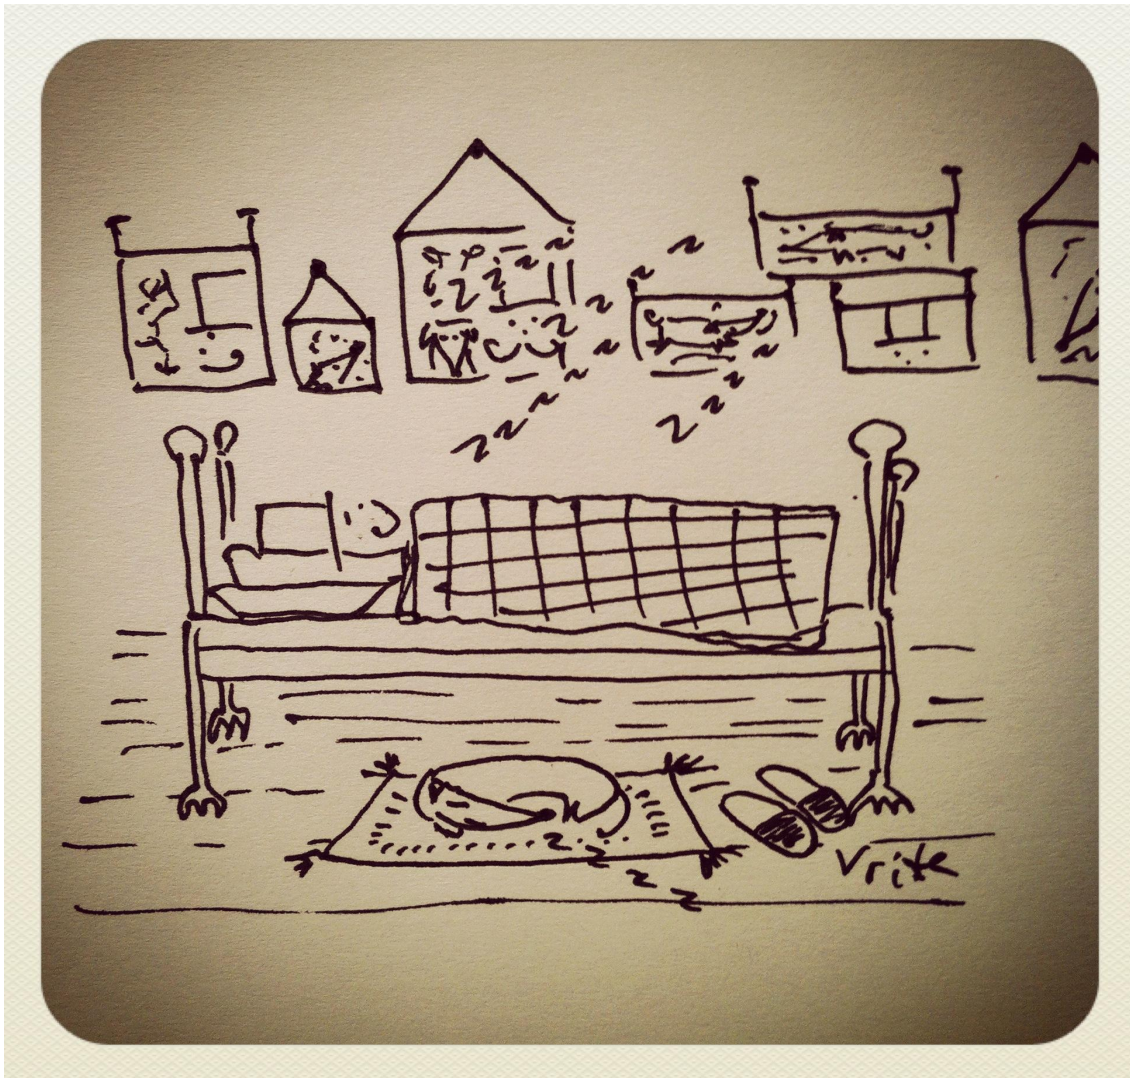

*On their way home Mr.
Hat and his dog,
Sausage, started to plan
a journey*

*And after they came
home, began to search
about places to go*

*They even thought
about flying to
California*

*Decisions are coming while
you sleep, so Mr. Hat and
his dog, Sausage, went to
sleep*

*And in the morning
they took a ticket to the
airplane*

*Mr. Hat and his dog,
Sausage, went to
Venice*

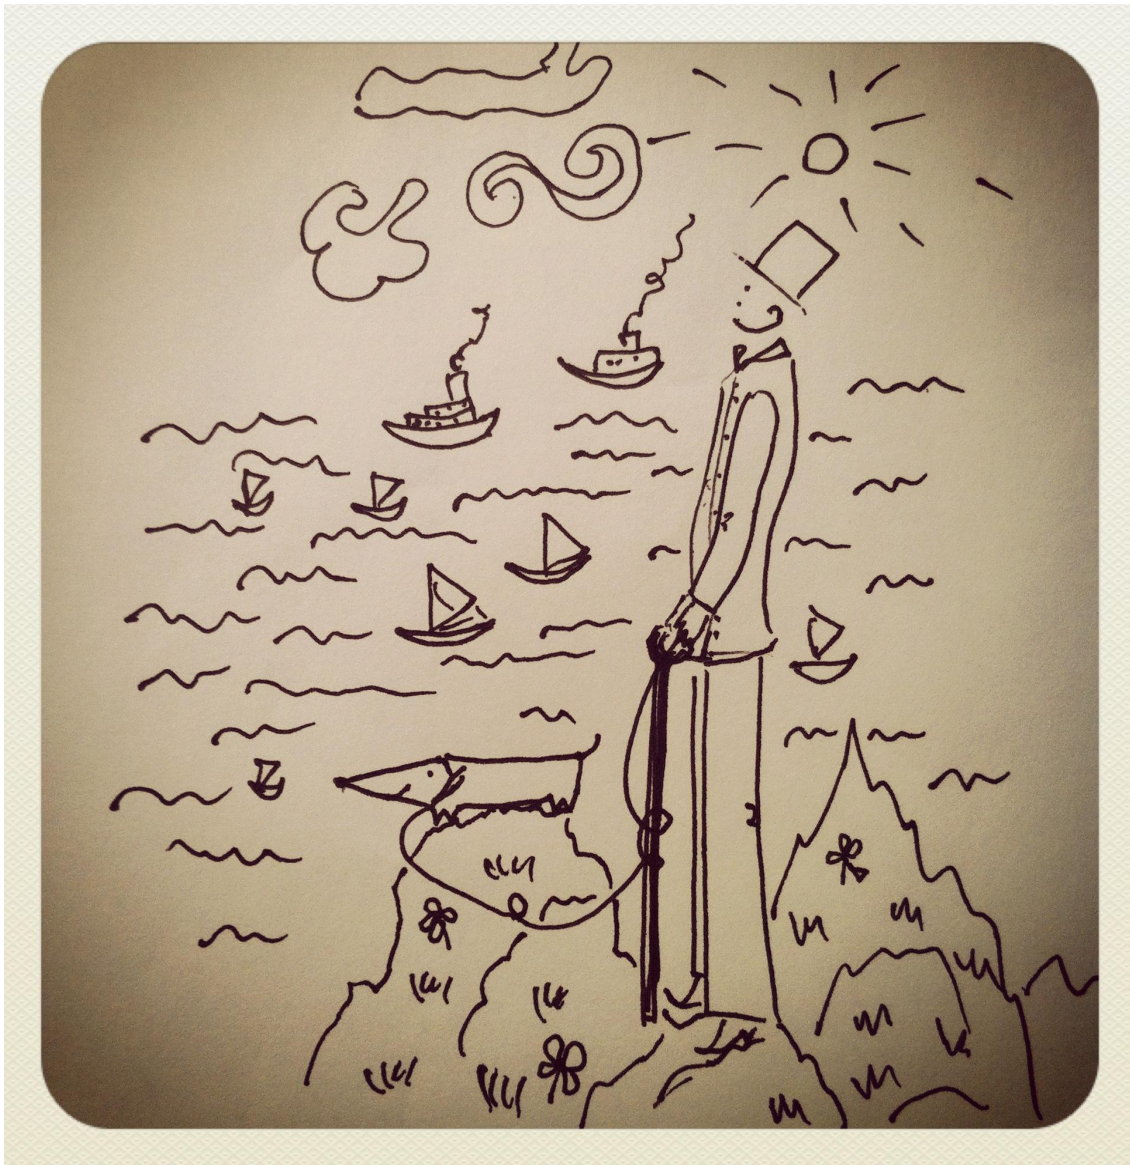

And to Paris

*Sausage even
walked under the
rain*

*And met weird
creatures*

*Mr. Hat and his dog, Sausage,
saw the same ships that they
saw at home and decided to go
back*

*Mr. Hat and his dog,
Sausage, understood that
they missed home a lot, so
they were happy to be back.*

*Big warm thanks to all my
friends that helped me with
alfa-beta testing, correcting
and ideas -)*
